

EMM x UJAM: "Delilah" Remix Contest

Winner!

Rob Bevilacqua · Veröffentlicht: 12.04.2024

This UJAM-Remix-Contest is not only a platform for showcasing your remixing skills; it's a celebration of the innovative spirit of female artists like EMM. Delilah's a narrative of strength, defiance, and empowerment, themes that resonate within the ethos of Women's History Month. This song was also featured in Rolling Stone US as one of the week's best new songs. This contest is about exploring new musical territories, experimenting with sound, and showcasing your talent. Let "Delilah" inspire you, use UJAM's cutting-edge tools, and maybe, just maybe, your remix will be the one to take the top spot. Emma "EMM" Norris emerges as a shining figure in the music scene, celebrated for her groundbreaking work as one of the first women to independently manage all aspects of her album "Burning in the Dark", showcasing a unique blend of alternative-pop that has garnered widespread acclaim. In the spirit of EMM's trailblazing achievements, UJAM is excited to present an unparalleled opportunity for our community: the chance to remix EMM's song "Delilah."

Happy to have won this Remix-Contest on April 12th 2024!
